

**Scottish  
Water**

Trusted to serve Scotland

# General Information

**Road Closures:** Advanced signage will be in place ahead of each road closure section a minimum 1 week in advance.

## **Emergency Services:**

Emergency Services have been informed of the planned works and road closures.

## **Working Hours:**

Monday to Friday typically 7 till 6. Road closures will remain in place out with working hours.

## **Additional Information:**

Where possible, access to individual properties within the road closure will be maintained from one side or the other depending on the location of the works. Our site team will liaise with any customer should access require to be restricted for any reason.

## **Interruption to Water Supply:**

During the work we may need to interrupt your water supply. If you are to be affected by any planned interruption to supply you will receive notification in advance, detailing date, times and what to do.

## **Project Information:**

Further information regards this project can be found via [www.scottishwater.co.uk/sunnysidemegray](http://www.scottishwater.co.uk/sunnysidemegray)

If you have any further queries, please contact the Scottish Water customer helpline on 0800 0778 778 quoting 'Capital/516515/CWA/SunnysideMegray'.
